

FOR APPLICANTS FOR CLASSICAL DEPARTMENT IN AARHUS: CHANGES IN THE ENTRY AUDITION 2023

Dear applicants.

If you live outside Denmark, you have to apply without showing up at the academy. Parts of your audition will be uploaded videos, and other parts will be tested online via Zoom. For the parts of the test, that is via Zoom, and which takes place 04 – 22 January, we must be able to contact you via the Internet, and we request that you have a computer and a wired Internet connection available.

The upload must be **unedited** video recordings and be in our hands

no later than 30 December 2022 at noon

It is important that no subscription or login is required for us to watch the videos, so you can e.g. use a closed YouTube channel (see last page for guide to settings). We must have a link to your uploaded videos in an email to sara@musikkons.dk and no later than 30 December.

In the table below, you can see which parts of the audition will be video upload and which are via Zoom. The admission requirements that you find here (<https://musikkons.dk/en/programmes/admission/admission-requirements/>) are still valid. Only where the table below specifies otherwise there is a deviation from the generally applicable admission requirements.

NOTE - if you are resident in Denmark (regardless of nationality), the audition will take place at the academy. Tests in piano (NOTE: predefined scales: F major and E minor melodic) and ear training/music theory will be tested as described in the admission requirements and will take place at the academy.

(In Danish: OBS – hvis du er bosiddende i Danmark (uanset nationalitet) vil prøven være med fremmøde i konservatoriets lokaler. Bifagsklaver (OBS! Vi har på forhånd valgt F-dur og e-mol melodisk) og hørelære/musikteori vil blive testet som beskrevet i optagelseskrav og foregår i konservatoriets lokaler.

Regarding ear training and music theory: An oral test in ear training via Zoom replaces the written test that we normally conduct. Music theory will be an online test in our LMS-system "Moodle". Subjects for the two tests will be the same that are contained in the normal written test. You can read more about the topics here (please be aware that this page is in Danish – the documents (but not

the audio files) can be found in English at the path above): Musikkons.dk → optagelse → optagelseskrav → optagelseskrav eksempler klassisk (in the menu on the right hand)).

Regarding piano: Test in sight reading is omitted in 2023 audition. Pieces and scales (F major and E minor melodic - in Danish: F-dur og e-mol melodisk) are to be video recorded and in our hands no later than 30 December at noon. Please send link to recordings to sara@musikkons.dk (It is important that no subscription or login is required for us to watch the videos, so you can e.g. use a closed YouTube channel).

We look forward to welcoming you to the entry audition at the Royal Academy of Music, Aarhus.
