

Dear applicant

If you are not resident in Denmark, your entrance exam for the Pop/Jazz Musician bachelor programme will be conducted digitally.
One part of your admission will consist of an uploaded video, and the rest will be conducted online via Zoom.

We will like to invite you to an online meeting on **Monday 12th of December at 19.00-20.00 (danish time)**.

This is the link to the meeting:

<https://deic.zoom.us/j/7713340938>

Concert:

The uploaded video must be an **unedited** video recording of your performance test (10 minutes).

It is your responsibility that the video footage and sound provide the board with enough information to evaluate the presentation.

Please consider the following, which is very important!:

- a. Camera angle: both you and your instrument must appear clearly in the picture/frame
- b. Microphone placement and instrument balance: The board must be able to hear you clearly and the balance between the musicians must be appropriate
- c. Recording level: Please be aware that the sound must not be either too loud or too low

It's very important that no login or subscription is required for the examiners to watch your video, so you can e.g. use a private YouTube channel which is accessible via a direct link only.

You must e-mail this link directly to me, study coordinator Jolle, Jette J. Jensen, at

jjj@musikkons.dk **no later than December 28th of December 2022 at noon.**
